

PARTNERING FOR GREATER IMPACT

ONE DROP IMPACT REPORT
2014

**BUILDING
A WELL IS ONLY
THE BEGINNING**

I LIKE TO SAY THAT THE BETTER PART OF 2014 AT ONE DROP™ WAS SPENT MAKING NEW FRIENDS.

We actively pursued relationships with organisations who could help us realize our vision of scaling up to create greater impact – all with the ultimate goal of forever improving the lives of those without access to safe water.

It is our belief at One Drop that we cannot solve the water crisis alone. We need collaborators from all walks of life to come together and lend their strengths – know-how, financing or providing a platform so that we can share our story.

In 2014, we established partnerships with organisations and companies such as Water For People, Water and Sanitation Rotarian Action Group, FEMSA, Formula E and C2MTL. Whether a partner in implementation or in activation, all share the common trait of being industry-leading pioneers who have jumped on the opportunity to invest in something bigger.

It is also our belief that these collaborations will increase the return on investment for you, our donors.

Ultimately, they will make your dollars go further because when we leverage the resources of others, it enables us to increase the scale and scope of our work. It spurs water into action and gives individuals in the communities where we work the ability to care for themselves and their families. Sustainably.

Thank you wholeheartedly. 663 million people are counting on us and we feel privileged to have you by our side as we take on this century's most critical challenge.

WITH NEW TANKS,
WHICH CAN HOLD UP TO 8,000 LITRES
OF WATER, FARMERS IN HONDURAS
WILL NOW BE ABLE TO GROW FOOD
IN THEIR 100-SQUARE-METER
GARDENS—EVEN DURING HONDURAS'
DRY SEASON. SOME OF THEM
RECENTLY PLANTED A VARIETY
OF VEGETABLES TO FEED THEIR
FAMILIES AND SELL AT THE LOCAL
MARKET. PLUS, THEY CAN ALSO USE
THEIR TANK FOR FISH FARMING.

IN EL SALVADOR, MICROCREDIT LOANS ALLOWED FAMILIES TO INCREASE THEIR REVENUE

INDIVIDUALS WHO WOULD NORMALLY
BE EXCLUDED FROM THE BANKING
SYSTEM WERE ABLE TO FINANCE
THEIR ECONOMIC ACTIVITIES AND
INCREASE THEIR FAMILY REVENUES.
THIS ALSO IMPROVED FOOD SECURITY.
INVESTMENTS WERE MADE IN PIG AND
POULTRY PRODUCTION, BEEKEEPING,

PROVIDED WITH FINANCIAL TRAINING
AND 87% REPORTED AN IMPROVED
FAMILIAL ECONOMIC SITUATION.

IN BURKINA FASO,
WE HAVE DRILLED OR RESTORED

OUR NEW PARTNERSHIPS

THE FEMSA FOUNDATION

In 2014, ONE DROP™ initiated a partnership with the FEMSA Foundation to demonstrate how its A-B-C for Sustainability™ approach can improve and accelerate the sustainability of a water, sanitation and hygiene project in Veracruz, Mexico in one of the most marginalized areas in the country. Together, with World Vision as our implementation partner, we developed a joint monitoring, evaluation and learning framework to concretely demonstrate results and take our partnership to scale in the years to come.

WASRAG

The 2020 Water Partnership is a joint program between One Drop and Rotary's Water and Sanitation Rotarian Action Group (WASRAG) to deliver unique and sustainable water and sanitation programs in Africa, Latin America and Asia all the way to 2020. It unites One Drop's unique sustainability approach and expertise with the power and capacity of WASRAG – A Rotarian Action Group capable of mobilizing the 1.2 million members of Rotary with clubs in more than 200 countries. In an original financing model, each partner has committed to raising \$5 million respectively and \$10 million jointly for a total investment of \$20 million towards the 2020 Water Fund. The first on-the-ground project of the 2020 Water Partnership is set to take place in Mali with the initial planning project design already completed.

WATER FOR PEOPLE

One Drop and Water For People have joined our complementary approaches – Water For People's "Everyone Forever" and One Drop's "A-B-C for Sustainability" to develop sustainable water and sanitation programming. The partnership has begun in Sheohar, India where more than 200,000 people will have access to safe water for drinking and production as well as sanitation facilities by 2018. Through our unique B (behavior) component, communities will also receive social arts interventions to inspire behavior change and empowerment. The total investment is estimated at \$10.8 million, with Water For People contributing \$5.8 million and One Drop contributing \$5 million. This collaboration has the potential to extend to other water challenged areas of the world.

FORMULA E

ONE DROP™, along with the Prince Albert II of Monaco Foundation, became the Official International Foundation Partner for the new all-electric single seater FIA Formula E Championship, launched in 2014. Over the course of the 2014-2015 season, through its exclusive galas, Formula E provided the two organisations with a platform to auction high-end items and raise funds for future joint water access programs.

C2MTL

One Drop is the proud international charity of C2, an innovative business conference that works to stimulate creative and visionary thinking to resolve business problems. At the Montreal conference which took place in May, 2014, One Drop participated in a unique live case study presented by Microsoft to re-imagine the way philanthropy is done. The partnership then expanded internationally under the banner of C2-Spark, where One Drop participated in one-day immersive events in various cities such as Zurich and Milan.

RECOGNITION OF OUR EFFORTS

One Drop has won the 2014 American Red Cross Everyday Heroes Award in the International Services category! The selection committee was very impressed by One Drop's story and commitment to helping others in Southern Nevada and around the world. Besides a certificate and a medal we also received acknowledgment from six members of the U.S. Congress.

MAURICIO UMANSKY,

CEO of Los-Angeles based real estate firm The Agency, has been a generous and active ONE DROP™ donor and supporter since 2013. Here's why:

WHEN DID YOU FIRST HEAR ABOUT ONE DROP? HOW DID YOU BECOME INVOLVED?

Three years ago, The Agency was doing a lot of work in Las Vegas and so we heard about this phenomenal organization through some of our partners there and decided to attend One Night for One Drop. I was completely blown away by the Cirque du Soleil performance and this unique way to raise money for the cause.

WHAT PROMPTED YOU TO BECOME A DONOR?

A couple of things. First, I was very impressed with the Board of Directors. I feel it is a very well-run organization with some great names behind it – Guy Laliberté, Cirque du Soleil... Second, I love that I can have a great time while giving back. I've attended One Night for One Drop three years in a row and every year I keep getting more involved.

WHAT MOTIVATES YOU TO CONTINUE TO GIVE?

Besides what I just mentioned, I am a big believer that in order to create a healthy community, you need a couple of things: education, medical care, housing and most critical, water. Here in Los Angeles, we are facing a tremendous water problem and I am doing things to try to be more conscious of it – anything from installing false turf instead of grass, improving landscaping, etc.

MRS. YUAN'S FRENCH CLASS

at Central Middle School of Maryland, USA is a proud supporter of One Drop, helping to raise awareness of water conservation among the rest of the student body and even raising \$2,200 for us. For one whole week, they conducted activities throughout the school including creating a mural out of trash, sharing of One Drop's YouTube videos, spreading daily facts about the water crisis and much more. We received a beautiful letter from Mrs. Yuan telling us how engaged her students had become and we are very touched to know that the next generation is mobilized for change.

65,000
MOBILIZED

IN BURKINA FASO, WE HAVE RAISED AWARENESS AND MOBILIZED MORE THAN 65,000 PEOPLE THROUGH OUR SOCIAL ARTS AND POPULAR EDUCATION INITIATIVES TO ENSURE NEW BEHAVIORS TOWARD BETTER WATER MANAGEMENT AND SANITATION—A CORNERSTONE OF THE SUSTAINABILITY OF OUR PROJECT. AND WE'RE STILL GOING STRONG!

PICTURE BOOKS FOR KIDS IN INDIA

THREE CHILDREN'S PICTURE BOOKS WERE CREATED FROM STORIES TOLD BY CHILDREN WHO PARTICIPATED IN PROJECT INDIA'S ARTS-BASED WORKSHOPS. 500 COPIES OF EACH BOOK HAVE BEEN PUBLISHED FOR DISTRIBUTION IN SCHOOLS IN THE DISTRICT OF GANJAM (ODISHA) TO RAISE AWARENESS ABOUT WATER AND SANITATION ISSUES.

120 WOMEN EMPLOYED PROCESSING MANGOS

IN BURKINA FASO, A SMALL MANGO-PROCESSING UNIT DID NOT HAVE DIRECT ACCESS TO WATER. THEREFORE, THE EMPLOYEES OF THE COOPERATIVE HAD TO CARRY LARGE AMOUNTS OF WATER EVERY DAY TO MEET THE STRICT HYGIENE STANDARDS. THANKS TO ONE DROP™, THE UNIT NOW HAS A DIRECT CONNECTION TO THE VILLAGE'S POTABLE WATER SYSTEM. THE PRODUCTION HAS BEEN IMPROVED AND 120 WOMEN NOW WORK THERE.

THE BIG ONE FOR ONE DROP™

Thanks to the extraordinary commitment of the World Series of Poker and to the generosity of the poker community, the second edition of The Big One for One Drop allowed us to raise more than \$4.6M for One Drop's water access projects. The poker tournament took place at the RIO All Suite Hotel and Casino in Las Vegas, with forty two professional and non-professional players. The American Daniel Colman won the jackpot of \$15,306,688. Since 2012, the two Big One for One Drop tournaments organized by the World Series of Poker have raised the incredible amount of \$10M. In grand tradition, Dan Colman visited One Drop projects in El Salvador and Honduras and had a first-hand opportunity to see how the funds raised benefit several communities.

“HAVING MY MONEY INVESTED IN THIS CHARITY BY PLAYING IN THE BIG ONE FOR ONE DROP MAKES ME FEEL INCREDIBLY PROUD.”
- DANIEL COLMAN

ONE NIGHT FOR ONE DROP™

The second edition of One Night for One Drop, One Drop's flagship fundraising gala, was held on March 21, 2014, in Las Vegas Nevada. The evening began with a blue carpet arrival at Aureole, the elegant restaurant and an exclusive pre show reception presented by Barrick Gold Corporation, Richard MacDonald Gallery and Richard Mille. After, guests were treated to an all-new one-time-only production imagined by Cirque du Soleil that took place in the state-of-the-art Michael Jackson ONE Theatre at Mandalay Bay and feature world-renowned guest performers The Tenors, alongside artists from all of the eight Cirque du Soleil shows in Las Vegas. Afterwards an incredible post-show extravaganza took place, featuring special celebrity guest performances. The post show event was held in true Cirque-style at Moorea Beach Club at Mandalay Bay. The event raised funds for One Drop projects around the world as well as locally through Springs Preserve.
