ROMANÉE-CONTI, JÉROBOAM LA TÂCHE 2003

ESTIMATED VALUE: \$40,000

Only 35 Jéroboams (3.0L bottle, the equivalent of 4 bottles 750 ml) of this vintage have been produced and distributed worldwide and the production of this size format was stopped since 2009. This bottle has never been commercially sold so the provenance is perfect!

This Jéroboam is numbered 2/35.

The Domaine de la Romanée-Conti is the owner of 32 hectares of vineyards, mainly in the Grands Crus of the Côte de Nuits and the Côte de Beaune. It has a monopoly on two grands crus: La Romanée-Conti and La Tâche and also owns vines in Richebourg, Romanée-St-Vivant, Grands Echézeaux and Echézeaux, mostly located around the village of Vosne-Romanée. In Côte de Beaune, it produces Montrachet, Corton and Corton-Charlemagne.

The 2003 La Tâche from Domaine de la Romanée Conti is nothing but charm and elegance. It is slick and seductive. It is stricter in the finish. It wins us over with its attack, and when it expands in the glass, it becomes extremely velvety. The wine is fantastic, especially considering the extraordinary color and the fruity and flowery fragrances. A warm and precocious vintage, with almost 20 years of aging, we see the immense pedigree of this 2003 La Tâche in its balance and elegance.

WINE SPECIFICATIONS:

- Grape variety: 100% Pinot noir.
- Wine Making: Grapes are harvested by hand at perfect maturity and traditional wine making is being used with long maturation process in new oak barrels, so the wood does not dominate the expression of the terroir.
- Color: A classic deep red, structured with elegance and fineness.
- Nose: Floral, rose, spices, berries, liquorice.
- Palate: Dense with suave and delicate tannins.
- Projected maturity: ranging from 2013 to 2035
- Serving temperature: 17-18°C.
- Distinctive feature: Certified organic.

TERMS AND CONDITIONS:

Delivery will be at the buyer's own expense. Subject to La Cuvée One Drop 'Terms and Conditions of Sale' available on page 13.
